Coach Youree and the East Longhorn Cagers had one of the most surprising Seasons in the history of the School.

East came from a slow start (7 wins and 5 losses), to return once more, to the State Championship Playoffs, at ASU. In the Quarter Finals East easily defeated an excellent Team from Tucson, Sahauro. In the Semi-Final games, East fell to another Tuscon Team, Santa Rita. The same night Phoenix Union fell to St. Marys'. That means East has tied for the THIRD place spot in the State. Not Bad for a team made up of Sophomores and Juniors, with only a couple of Seniors.
Coach Youree reached a milestone in his Career, his 300th win came when East beat Tempe High this year.
East won the Phoenix Division, B League Championship, and Class AAA Division.

Gabe Lopez goes to state.

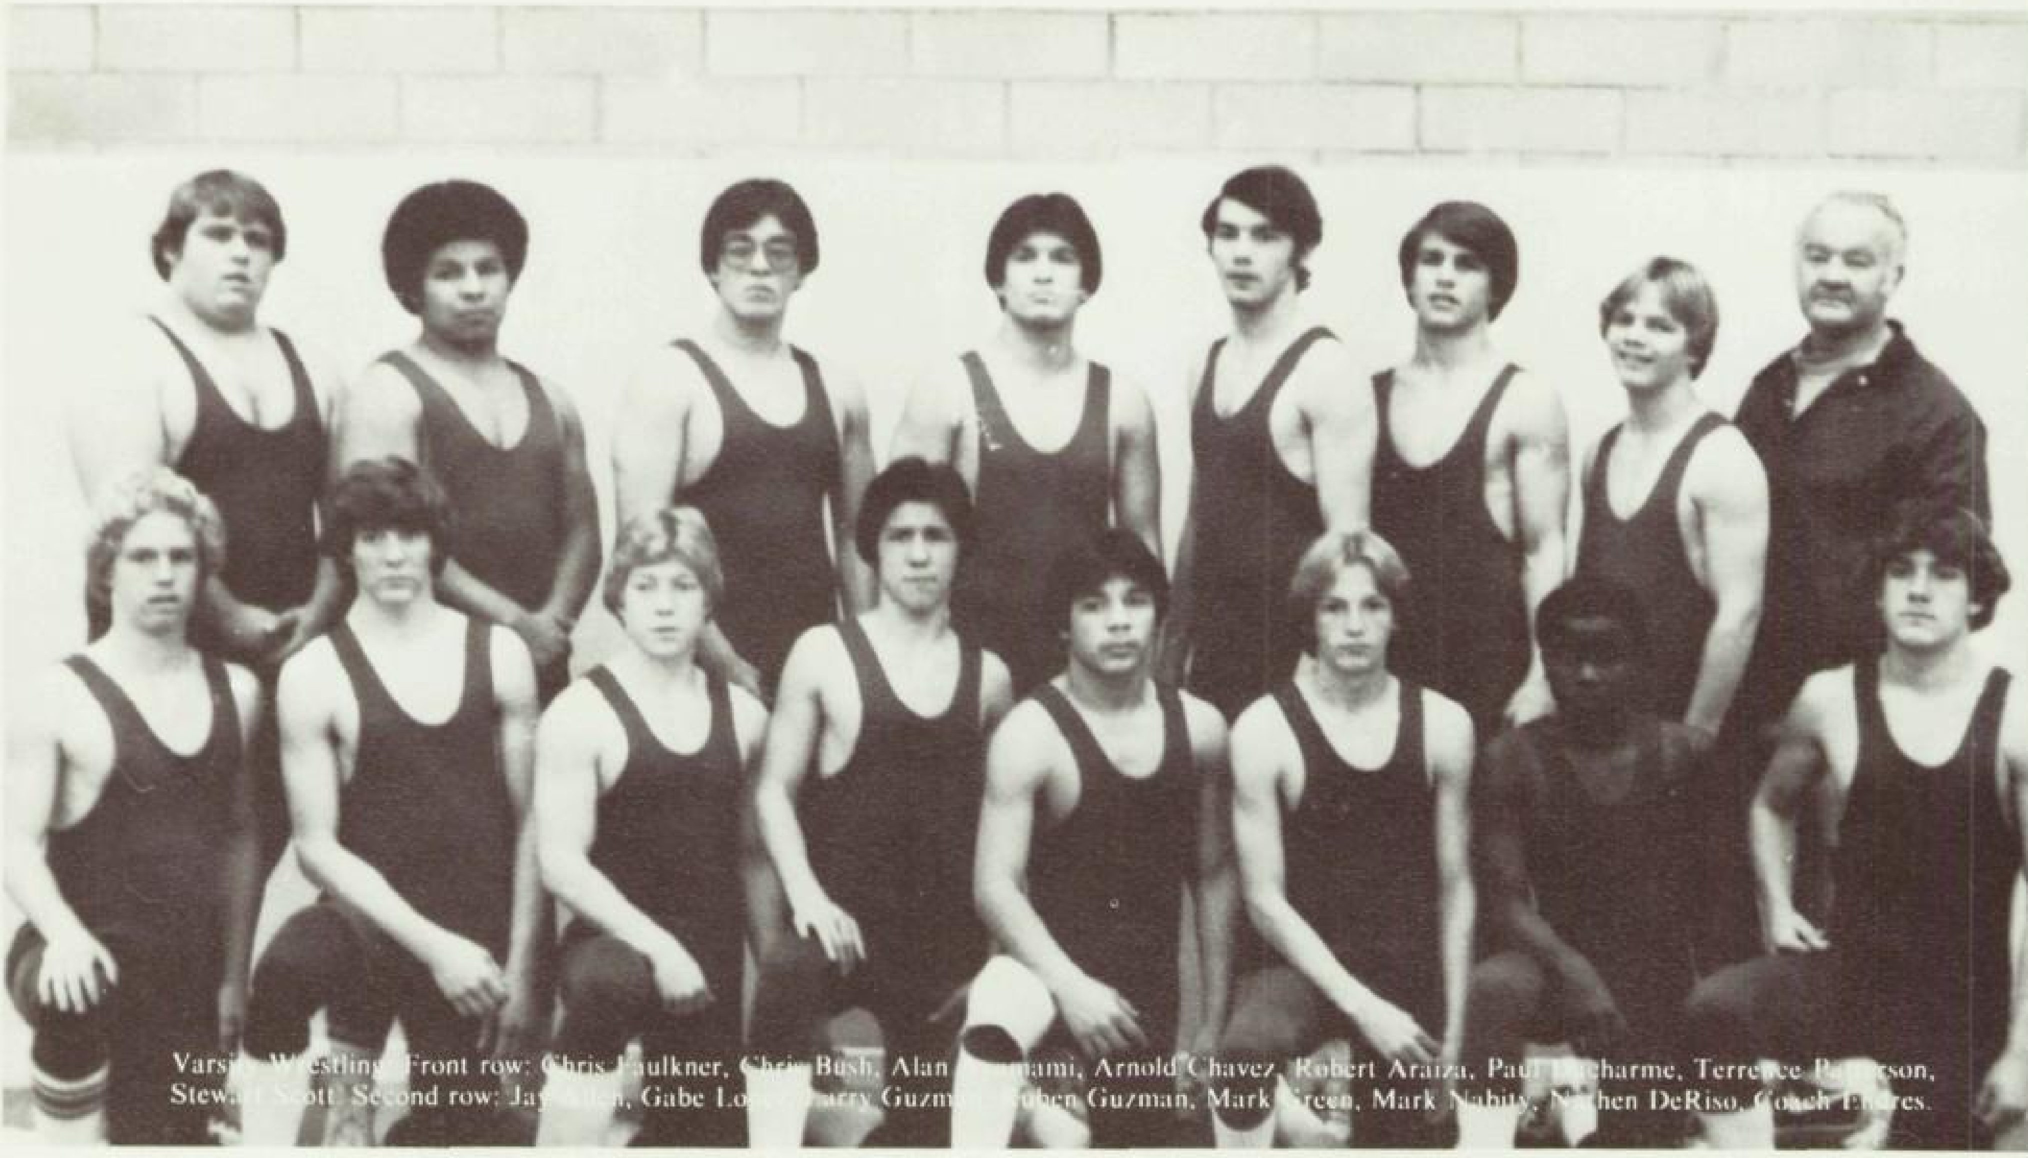

Robert Araiza placed fourth in the state.

Our Gas Smells!

Properly used, natural gas is clean and safe. In its natural state, it's odorless. However, a smelly odor is added to warn you when something's wrong. A faint odor warns you to check equipment. Are kitchen range burners turned off? Are pilot lights burning? If odor is strong, don't ignite a flame or operate light switches. Open windows and doors. Evacuate the building and call your gas company immediately.

EDITORS PAGE

To all Faculty, staff, students and Friends,
The staff of the "Legend" has put in many long, hard, tedious, hours of dedicated work, into this edition of the Yearbook. We have worked many Saturdays, and long into the night on many occasions, to ensure that you will have a book full of the memories of East High School. This year's theme is "A CLOSER LOOK", and we have taken one. We, the staff, are sure that you will enjoy this book for years to come, as in past editions.

Not everyone will be completely satisfied with your efforts, these people, of course are not associated with the publication of the Yearbook, and THEY SHOULD BE!!!!! One must understand the publishing of a book to really criticize. To critics we say, join the staff. We have made this edition of the Legend, the best ever, we learn more every year, from our mistakes, and from our achievements. Putting this book together is not all fun and games it's hard work, from August till My.

As Co-Editors, we would like to thank the entire staff (Gina Brown, Cathy Clark, Richard Davenport, Joseph Davis, Jeanne Espinoza, Frank Fierros, Sue Guenther, Susan Hauck, Donna Monce, Leslie Goodluck, Ann Powell, Phyllis Rodriguez, Carol Turis, Angela Vittori, Annie Chavez, Elizabeth Hart, Kevin Johnson, Judy Villa, Julie Buzard, Londa Hardy), for devoting so much time and for making so many personal sacrifices to accomplish the publishing of this book, and most of all thanks to Mr. Maher, alias "COACH", for everything, especially just being there when we needed him the most, and to the Business Manager, Sylvia Diaz, for the selling of the yearbook.
